We're adopting a smart UI system to make everything readable within the VR headsets.. If the player destroys all the enemies of a wave, an alarm will alert him that a new wave is going to be spawned.. Choose the class fit best your skills: Engineer, Assault or Specialist Each skill offers its own play-style with 2 different abilities.. Each waves will be progressively harder with more robots and/or stronger robots with different weapons, aesthetics, speeds, damages, health and special abilities.
